

What Is Pennine MSK Partnership?

Pennine MSK Partnership is a service commissioned by Greater Manchester Integrated Care Partnership for patients registered with an Oldham GP.

Our multidisciplinary team consists of a wide range of specialist clinicians including; Rheumatology Consultants, Orthopaedic Consultants, GP's, Nurse Consultants, Pain Specialists, Clinical Specialist Physiotherapists and Podiatrists, Rheumatology Nurse Specialists, Occupational Therapists and Pharmacists. We provide a comprehensive clinical assessment and treatment service to the population of Oldham in Rheumatology, Orthopaedics and Persistent Pain.

Our Physiotherapist and Podiatrist Specialist Practitioners have extensive experience and advanced skills and training which enables them to assess and advise fully and order any appropriate investigations. They will make an onward referral to a Consultant if this is necessary. Their role is different from routine physiotherapy and podiatry which you may have received previously.

We provide clinics from different locations across Oldham – Royton, Failsworth, Mossley and Oldham Town Centre with a choice of appointment times throughout the day including evenings and some weekends.

Your appointment

At your initial appointment your clinician will talk to you about your condition and will examine you. You may be required to remove items of clothing, **it is therefore advisable to wear sensible underwear**. For most examinations it will not be necessary to completely undress. If you wish, you may ask for a chaperone to be present in the clinic room and your clinician can arrange this. On the rare occasion when we cannot provide a chaperone immediately we will rearrange your appointment for another time and ensure a chaperone is made available.

*****IMPORTANT INFORMATION*****

It may be possible to treat your problem with injection therapy on the same day. If this is appropriate you will be required to wait 30 minutes after the injection and you may wish to be accompanied. Following this you will need to rest the affected joint for 48 hours so you may be unable to drive, please therefore arrange alternative transport.

Cancelling or rearranging your appointment

We require a minimum of 48 hours notice to cancel or rearrange an appointment. If you cannot keep your appointment please contact us on **0161 357 5270 (option 3).**

Failure to do so may result in you being discharged from the service.

- Please arrive promptly for your appointment. Late arrival to clinic may result in your appointment being rescheduled for another date.
- On arrival report to reception and you will be seen as soon as possible.
- Please bring a list of any medications/topical lotions or ointments you currently use with you to your appointment.
